Jesse Landon
Administrator

The Township has been closely monitoring the situation with the Novel Coronavirus (COVID-19), working with our Emergency Management team and community partners. In order to ensure the health and well-being of all Clinton Township residents, access to all municipal offices will be limited to municipal staff until further notice. However, all offices will remain staffed and will remain available by appointment **ONLY**, if necessary. Please call the appropriate department to make an appointment.

Members of the public can find most forms and applications on our website at www.clintontwpnj.com. Completed applications for the Planning Board, Zoning and the Building Department can be placed in the "drop box" or "mail box" at the entrance of the building.

Municipal staff will be available by phone or email on a staggered schedule to answer questions and provide assistance.

Please call and make an appointment with the Clerk to drop off any petitions for the Primary election. All petitions are due March 30, 2020 by 4:00pm.

Please check our website daily for updates (clintontwpnj.com).

Sorry for the inconvenience and stay healthy!!

Sincerely,

John Higgins, Mayor
